THE MAKING OF A TRADITION

ArtsNaples World Festival may have a short history, but it has become one of Naples' most coveted cultural arts festivals. It all began in 2010 when ArtsNaples sponsored the appearance of the Odessa Philharmonic Orchestra from Ukraine. Since then, ArtsNaples has reached out to an audience of over thirty thousand with its first three festivals and continues to expand with year-round events. ArtsNaples not only has deep roots in the community, but also throughout the world through its partnerships with Opera Naples, the von Liebig Art Center, Collier County Public Libraries, Artis–Naples, the Sugden Community Theatre, Naples Botanical Garden, Collier County Schools, FGCU, the Curtis Institute, the Carnegie Academy, the Golisano Children's Museum, Naples International Film Festival, Classic Chamber Concerts, the Collier County Museums and many others. ArtsNaples is proud to enhance and expand the local, regional and international reputation of Naples, Florida, as a special destination for the cultural arts.

In 2015, ArtsNaples will joyously celebrate the cultural arts of France. Throughout unique multiple venues, ArtsNaples presents art, chamber music, cinema, cuisine, dance, opera, fashion, theater and orchestra. ArtsNaples combines the best of the arts in Naples with amazing talent from around the globe. Over a period of two weeks, ArtsNaples will host over thirty events representing a significant range of cultural activities.

A crucial element to the mission of ArtsNaples is the design of special arts education initiatives. These have touched thousands of young lives and have brought many hundreds of children to their first classical or jazz performance. By bringing international orchestras, chamber groups and individual performers into the schools, ArtsNaples has shown students how the arts inspire and enrich their lives.

A HISTORY OF WORLD CLASS PERFORMERS AND PERFORMANCES

ArtsNaples believes in the transformative power of the arts. Arts education improves the lives of both young and old alike. Through the arts we experience the full range of humanity and engage in a universal language which permits communication across geographic, economic and social boundaries. To show students how their lives are enriched through participation in the arts, ArtsNaples works and partners with other performing arts institutions, educators and schools, legislators, parents, community and business leaders, just to name a few. ArtsNaples sponsors extraordinary programs that inspire and motivate students while providing new and innovative educational opportunities for music students and their teachers. We know the arts can inspire, encourage and change young lives. Step by step, event by event, program by program, we are making a difference in our community.

We appreciate the excellent work of Judy Evans, Director of Education for ArtsNaples.
